

# OMKAR PLASTIC INDUSTRIES

MANUFACTURING RELATIONSHIP DISTRIBUTING QUALITY

[www.omkarplasticindustries.com](http://www.omkarplasticindustries.com)

## About us

**OMKAR PLASTIC INDUSTRIES**, from more than a decade is dedicated for producing a wide range of Stationery products for office, personal and student applications. All of our stationeries are innovative and stylish to suit the work place and modern usage. We are committed to providing quality products and service to our customers that meet or exceed requirements and expectations.

## MANUFACTURING RELATIONSHIP DISTRIBUTING QUALITY

We rely on our innovative creations, hard work and 'always-a-step-ahead' service. As our productive years went by, valuable experience was amassed. We utilized it as an attempt to increase our expertise in a cumulative fashion and to become one of the best in the world with a strong foothold. We specialize in providing Customized PP & PVC Stationery as per clients' requirements and at the most reasonable price.

We have become a known name because of our specialization in providing Customized Stationery as per clients' requirements. Manufacturing excellent quality is our goal and supplying the products within committed time frame is our key point. With our quality products we have been catering the demands of various sections of society at most reasonable price.

Stationery offered by our company is highly demanded in Corporate Sector, Offices, Retail Shops, Schools, etc. Customers are immensely satisfied with the quality of products. We have become a prominent name in the market because of our timely delivery of products.
